-  **2** Car Garage

Light-Filled Luxury Meets Everyday Logic. The Elizabeth makes a stunning first impression with a soaring two-story foyer that sets an airy, expansive tone for the entire home. The main level is designed for the way you live, featuring a "Choice Room" that adapts to your needs—whether that's a quiet home office or a vibrant playroom. At the back of the home, the Great Room and Kitchen create a wide-open heart of the house, supported by a massive walk-in pantry and a dedicated drop zone to keep daily life organized. Upstairs, four spacious bedrooms provide a peaceful retreat, while the optional finished lower level offers the ultimate "bonus" space for a rec room, den, and extra bath.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
