Tailored to Your Life. At 2,662 square feet, the Madison is a masterclass in versatile design. From the moment you step into the elegant foyer, you're greeted by a formal dining room that flows seamlessly into the heart of the home: a sprawling Kitchen and Great Room. The "Choice Room" offers a blank canvas for a home office, playroom, or library, while the second floor features a flexible layout of up to four bedrooms. Looking for a more accessible lifestyle? Customize the Madison with an optional first-floor owner's suite to create a home that evolves with you.
